

ARO SAMSON S

FRONTEND DEVELOPER

About Me

Dynamic frontend developer and drawing artist crafting responsive, visually stunning web experiences with HTML, CSS, JavaScript, and smooth animations. I blend hand-drawn artistry with pixel-perfect UIs to create engaging portfolios and sites that captivate users across devices while optimizing for speed and accessibility. Passionate about turning sketches into interactive digital realities, I'm eager to bring innovative design solutions to collaborative teams.

Education

- ◆ From 2024 **Pursuing Bachelor of Computer Science**
St. Joseph's College, Tiruchirappalli.
- ◆ 2023- 2024 **Higher Secondary School Certificate**
St. Joseph's College Higher Secondary School, Tiruchirappalli.
- ◆ 2020- 2021 **Secondary School Leaving Certificate**
Abbot Marcel RC Higher Secondary School, Tiruchirappalli.

Career Objective

- ❖ Leverage HTML, CSS, JavaScript, and animation skills to create responsive, artistic web interfaces.
- ❖ Transform hand-drawn concepts into engaging, accessible digital experiences for modern users.
- ❖ Apply frontend development expertise and drawing artistry to collaborative web projects.
- ❖ Focus on user-centric designs that boost engagement through intuitive animations and layouts.
